Welcome Home

Pelaga Eco Park: A Hidden Gem in Bali

Tucked away in the picturesque Pelaga Village, Badung Regency, Pelaga Eco Park is a breathtaking haven that embodies the essence of Bali's natural beauty. Surrounded by awe-inspiring scenery, our eco park boasts panoramic vistas of the lush landscape, inviting you to immerse yourself in the serenity of nature.

As you enter our tranquil oasis, the crisp, fresh air envelops you, beckoning you to explore and reconnect with the natural world. Our comfortable and welcoming ambiance, paired with the warm hospitality of our local staff, will make you feel like you're part of our community.

Facilities

Camper Resto

Embracing the 'farm-to-table' concept, Camper Resto proudly sources many of its ingredients from our very own organic garden, ensuring the freshest flavors for our dishes and beverages.

Glamping

"Escape to a serene oasis and indulge in a tranquil getaway amidst nature's splendor. Our comfortable, elegantly designed tents offer a peaceful retreat, surrounded by breathtaking natural beauty."

Picnic Ground

"Immerse yourself in nature's serenity and unwind beside the gentle waters of the Auman River. Surrounded by the breathtaking beauty of the Pelaga Forest, our tranquil setting invites relaxation and rejuvenation."

Camper Resto

Camper resto at Pelage Eco Park is a family-friendly restaurant with farm to table concept, where there are several menus of food and beverage whose ingredients are taken from the organic garden, besides that, the fish menu is also obtained from the pond in Pelage Eco Park, the texture is good and fresh.

Beautifully prepared with a warm and cozy ambiance to cater your special events or family gathering. Serving a menu of Indonesian and western food, The Camper Resto also has a wide range of coffee that will satisfy your taste buds. Imagine taking a break with freshly brewed coffee overlooking the scenery—what a wonderful day!

Mula Sari Farm

The organic garden at Pelage Eco Park to supporting "farm to table concept" that supplies some of the food & beverage ingredients at Camper Resto. Planted with various types of plants, such as fruits, vegetables, and edible flowers.

All the plants in this garden do not use pesticides, but use eco enzymes which are made from leftover fruits or vegetables from the restaurant, the vitamin content of fruits and vegetables is maintained and healthier free from chemical effects.
